OUTREACH REPORT – India

India Directors, Elsie and Danny, recently held three seminars in southwest India. Elsie said: *"The hearts of the pastors were as fertile as the lands. They eagerly received the Word. Many, many were set free from the bondages of sickness, fear, and shame. Some meetings extended well beyond lunchtime, but none of them wanted to leave, as Derek's teaching on The Divine Exchange opened the eyes of their minds and brought a transformation as they listened. As we had opened the meetings to pastors' wives as well, for the first time in their lives a few of them had the opportunity to attend a seminar of this kind and they were hugely blessed. God has also opened a door to the impenetrable state of Arunachal Pradesh (NE India), through these meetings. All glory be to Him!"*

TESTIMONY – India

"I was sick and felt unable to attend the pastors' seminar. I believe it was a demonic hindrance. But at 10 a.m. I suddenly got up and decided I would go. I came, and the Lord ministered to me through every aspect of The Divine Exchange which Elsie taught on. I have suffered deep wounds from the shame that has been inflicted on me. These are things I cannot speak about or share

openly. But today the Lord ministered to me through the truth – Jesus bore my shame that I might share His glory. It comforted me so much and broke off that huge burden I was carrying. Thank you for coming all the way to Bidar and bringing us this teaching." – A pastor's wife

"On behalf of the Chaplain Services of the Mecklenburg County Sheriff's Office (MCSO), I want to thank you for the resources that were donated by DPM

this year. Through the materials, we were able to assist those who have expressed a desire to learn and grow in their faith. One of the greatest gifts we can give is God's Word, and your contribution made this possible.

Please also know how important your donations have been during these challenging times. We have had limited resources since Covid began, and the residents' main leisure activity has been to read. Again, thank you for your efforts to impact the prison population of this county's Detention Center Central. You are such an encouragement to them as well as our staff and have greatly assisted us in demonstrating the Spirit of God's love. I pray that God will bless your staff as well as your donors for making this possible."

– Torya Allen, Chaplain Services Administrative Asst., MCSO, North Carolina
