The Promise of Provision

**Living and Giving From God's
Abundant Supply**

Our God is a God of abundance. He is not poor, not stingy, not limited. Yet we often feel as if God's blessings have passed us over, and we find ourselves struggling to have enough. The problem is, we don't know how to access God's provision. We lack the understanding of how to receive it and what to do with it when we do.

In an age in which so many have so much, and most want more, what does the word abundance really mean? What does God have to say about it? And how can Christians find and walk in it?

With wisdom and depth, respected Bible teacher Derek Prince shows you how to step into your inheritance. He also shows you:

- How to break free from a poverty spirit
- Five principles for receiving God's abundance
- Practical steps and guidelines for creating a life of abundance
- How you can bless others with His overflow
