OVERVIEW OF AFRICA (not a true reflection) AS MANY AFRICAN COUNTRIES PRACTICE A MIX OF ANCESTRAL WORSHIP AND WITCHCRAFT WITH CHRISTIANITY

EVERY TONGUE TRIBE AND NATION WILL BOW BEFORE THE THRONE

SOUTH AFRICA WAS ROCKED WITH VIOLENT DEMONSTRATIONS, BURNING OF SHOPPING MALLS AND LONG DISTANCE VEHICLES AND LOOTING IN KWA ZULU NATAL, DURBAN AND JOHANNESBURG JULY 2021

Why did it happen in Durban? Could it be the stand SA was host to the anti-Semetic Durban Declaration. On 22 September 2021, the United Nations will convene a high-level meeting to mark the 20th anniversary of the **Durban** Declaration

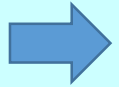

Durban looting aftermath: 45, 000 businesses affected, R16 billion in lost stock and damaged infrastructure. The damage to property due to unrest in KwaZulu-Natal has been estimated at around R100 million. The provincial government revealed this after a visit to Mooi River over the weekend where 26 long distance trucks between Johannesburg and Durban were burnt out.

THIS SITUATION BROUGHT PEOPLE TOGETHER TO HELP CLEAN UP THE COUNTRY AND STAND TOGETHER IN DISAPPROVAL OF THE BEHAVIOUR. CHRISTIANS STOOD TOGETHER IN PRAYER AND PRACTICAL HELP THOSE WHO LOST THEIR HOMES & WORK. WE ARE ALL PRAYING FOR REVIVAL FIRE!!!

More than 200 shopping centres and 100 malls were looted or burnt, while at least 1,400 ATMs were damaged and 300 banks and post offices vandalised in the southeastern province. Meanwhile a total of 90 pharmacies were destroyed, As the country grapples with a brutal coronavirus third wave. 21 Jul 2021

DPM Sunday Service Resources : Authority & Power of God's Word Part 2 of 10

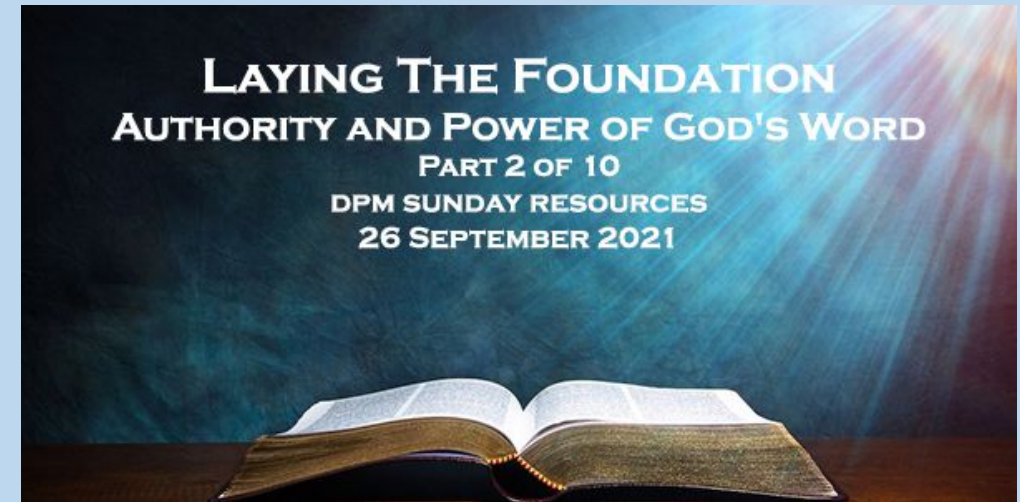

Derek Prince Sermons: Authority & Power of God's Word. This is an original Bible Study, teaching by Derek Prince. The authority of the Bible, God's written Word, proceeds from the Author, the Holy Spirit, because an author gives authority to what is written. Derek Prince says: 'You do not love God more than you love His Word.'

YOUTUBE – JAMES REPORT

This time last year **2020** we were streaming **5,882 hours per month (16,451 views)** of **Derek Prince teaching messages into South Africa**.

THIS YEAR we are **streaming over 30,000 hours per month (136,589)** of Derek Prince teaching messages into South Africa.

That is an **increase of over 500%. Praise The Lord!**

I like to think about it this way... If Derek Prince were alive today he would have to hold a 1 hr public meeting with 1000 people, every day for 30 days in a row to share the same amount of information.

Many, many hours of work has been going into optimising the YouTube channel, which is now bearing good fruit, all over the world.

It is worth mentioning that **these are all English messages**. We do have **an opportunity to post the African language videos and audios you have which has the potential to gain wide exposure on the same channel**, to do this however we will need your help getting access to the files we need. (MP4's and MP3's are ideal.) Shalom & Blessings,

Encouraging letter from a website user thanking for running the website!!!

He is not able to order Derek's books from Amazon as they do not deliver to SA he goes onto say

"Then I found the YouTube videos what a treasure!!

WELL WORTH READING.

I read 'My secret life' in one sitting! What a riveting, multi-layered read. Very few lives lend themselves to the world in the way that yours has, Albert, and it is profoundly impactful to understand your journey against the backdrop of the personal insight you share in your words. Everyone has a story to tell and the nuance of yours is quite special! The truthfulness is also very refreshing and real. Congratulations – what a magnificent read!

**Clare Gomes, Strategic Planning & Communications Executive
AMSOL MARINE**

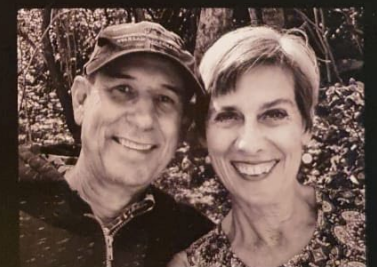

This is a story about the joy-filled life that awaits anyone willing to break free from the superficial lifestyle that keeps so many in the world today in bondage.

It's a story of how one man had everything going for him on the outside, an international bicycle-tourer; years of high-sea adventure on the most powerful salvage tugs on the planet.

It's an honest, no-holds barred account of how the destructive power of family secrets were always at work in the background of his life leading ultimately to depression and hopelessness.

It's a story about a power that has largely been lost on most people today, the God-given power of choice. A choice that can lead to the greatest hope a human being can ever experience. It's a story of the transforming power of the supernatural love of Almighty God.

Albert Chipps is a Marine Electrician. After 42 years of sea-time with one company he is presently serving on Africa's one and only fiber-optic cable repair vessel. Albert is not only living proof of, but also passionately shares the good news that broken lives and broken families can be fully restored. He lives with his beautiful wife Elaine in Cape Town, South Africa.
