BOOKS

Who is the Holy Spirit?

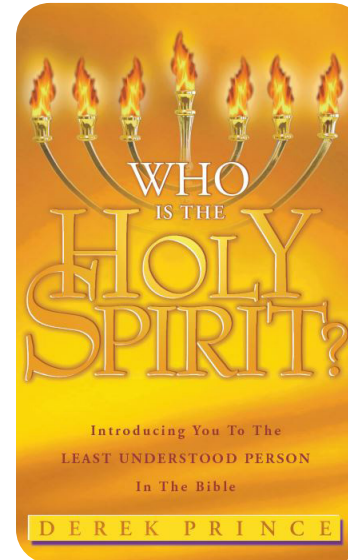

Learn to relate to the Holy Spirit as a Person

This book will draw you into a closer and more intimate relationship with that mysterious, yet wonderful, Person – the Holy Spirit.

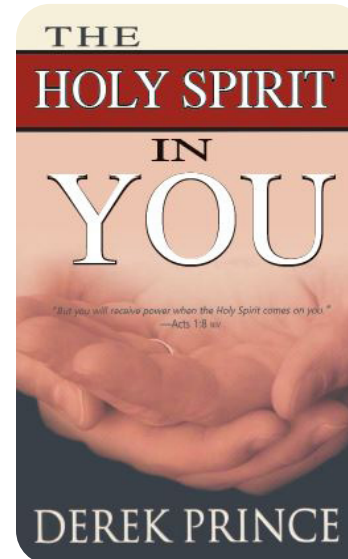

Derek Prince describes the Holy Spirit as "the least understood Person in the Bible." But then he goes on to describe the Spirit in a way that makes Him understandable.

Prince points out some apparent contradictions. The Spirit is a Person and yet not a Person. He is a self-effacing Servant and yet a consuming fire. Often we are not aware of His presence and yet He pervades all time and all space.

Prince closes with a practical account of the gifts of the Spirit and how they operate, followed by a vivid description of the fruit of the Spirit and how you may cultivate it in your own life.
