

And this gospel of the kingdom will be preached in all the world as a witness to all the nations, and then the end will come.

~ Matthew 24:14 ~

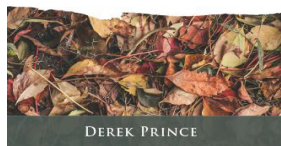

The Two Harvests

Learn how to be used by God to increase the harvest of mercy and establish Christ's Kingdom on the earth.

THE TWO HARVESTS

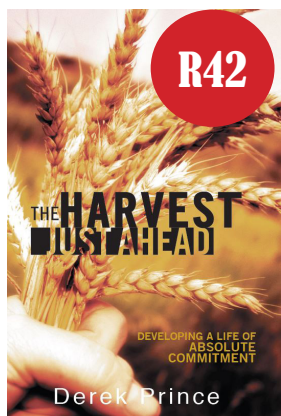

SALVATION OR JUDGEMENT

The end of the age brings with it two opposing prospects for every person - mercy or judgement. We need not only to choose mercy, but to invest our lives in sharing God's gracious offer of mercy to those whose prospect is judgement.

In this booklet, Derek Prince shows us from Scripture that God has given us a

wonderful gift in the Holy Spirit. He comes like the rain to empower us to bring forth a bountiful harvest.

The Harvest Just Ahead

In this booklet, Derek Prince issues one of the most compelling calls ever heard for workers in the end time harvest.

Derek asks:

“What about you: what does life mean to you? What are you living for? What place does Jesus Christ have in your life? Are you asking, How can I become effective as a result of the outpouring of the Holy Spirit in my life? The answer: by linking up with God's purpose.”

Derek Prince says the harvest is right at the door, and God is going to need workers by the hundreds to cast in the sickle of His Word and reap. The time has come to reap, for the harvest of the earth is ripe.

Christ Last Order

If you feel you can't share the good news of Jesus with your friends or family, this book will encourage you to use the resources God has given you to fulfill Christ's last order.

Jesus tells everyone to go and make disciples of all nations, not just to the preacher or the evangelist. So are you willing to make disciples? Or are you fearful and saying, 'I can't do it'?

As Derek Prince says in this book, “This is perhaps one of the greatest dangers which confronts us as Christians—being afraid to move

forward in faith. Instead, we want to play it safe. We don't want to take the risk.”

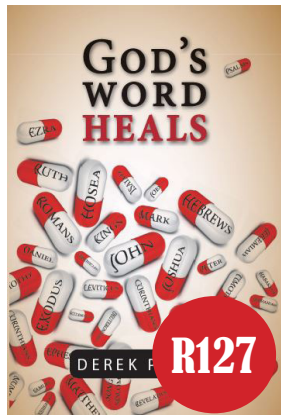

This book will encourage you to line up with the orders of Jesus and to develop a miraculous approach to life which views every situation in the light of God's unlimited resources. If you feel you can't share the good news of Jesus with your friends or family, this book will challenge you to re-examine your attitude. It will encourage you to use the resources God has given you to fulfill Christ's last order.
