### **In Search of Truth** **Starting with Abraham, Learn what it means to be called “A Friend of God”**

“In Search of Truth” is the result of Derek Prince's own search for meaning and purpose in life. Derek sought answers in ancient and modern philosophy, and also in oriental mysticism. However, it was in the study of the Bible, while serving with the British Army during World War II, that he found his answer.

In the late 1950s, while serving as head of a teacher training college in Kenya, Derek Prince prepared a manual to help others who were searching as he had been. That book, the Self-Study Bible Course, has sold millions of copies in many languages. “In Search of Truth” is an expanded and revised version of that original course.

“In Search of Truth” begins with Abraham, the only person called the “friend of God.” From there the seeker proceeds, step by step, through the unfolding destiny of the human race. This book is for the serious student who wants to find out for himself the meaning and purpose of life.

### Praying for the Government Impact Your Nation

One of the most basic mandates for the Christian is to pray 'for kings and all who are in authority.' Now, perhaps more than ever before, we need to renew this commitment.

*"If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land." (2 Chronicles 7:14)*

Praying for the Government is based on this verse. If the Church meets these four conditions, then God will heal their land.

How can we bring healing? Through prayer! God intends His Church to exercise a decisive influence for good in the affairs of the nations.

Who are we to pray for? Our government! In Timothy 2:2 we have a mandate to pray "for kings and all who are in authority".

Now is the time for us to make a fresh commitment to prayer.
