They Shall Expel Demons What You Need to Know about Demons - Your Invisible Enemies

What are demons? How do they gain entry? Do Christians ever need deliverance from demons?

In this practical, comprehensive handbook on deliverance, Derek Prince addresses the fears and misconceptions often associated with the subject of demons. Speaking from more than thirty years of personal experience in this ministry and study of God's Word, he offers down-to-earth advice on how to receive and minister deliverance and how to remain free. He also describes characteristic activities of demons, ways demons gain access to people's lives and steps leading to deliverance.

If you are struggling with problems that never seem to go away, has it ever occurred to you that demons may be at work? Or perhaps you want to help others with such problems. Derek Prince points out that 'Jesus never sent anyone out to preach the Gospel without specifically instructing and equipping them to take action against demons in the same way that He Himself did.'

If this is not true today, Prince asks, 'Who has changed: Jesus? The demons? The Church?'

Lay hold of the unshakable power of hope, and step into increased blessings in your life today!

"You and I do not have to be shut up in the prison of this world. What can liberate us? Hope."
