OUTREACH PRAYER DIARY

WWW.DEREKPRINCE.CO.ZA

MAY 2023

Derek Prince once said: “If we had complete and unreserved faith in three aspects of God’s nature – His goodness, His wisdom, and His power – then we would never disobey God.” And it would stir our prayers! Please join us in prayer for our mission of making Derek’s life-changing Bible teaching available to those who desperately need it. Thank you for supporting our outreach.

MAY 1 INTERNATIONAL

- New doors for outreach continue to open around the world, and new language translations are in progress. Pray for the Lord’s continued favour, blessing, and provision for the ministry. Derek Prince always said that DPM was not his ministry, but God’s ministry, and we believe that He will fulfil His intended purposes through it.

Indian Subcontinent

MAY 2 SRI LANKA

- On a recent trip to Sri Lanka, DPM–India Directors Elsie and Danny ministered for three days to young leaders, teaching them on the basics of ministry and identifying their calling. Pray that those who went through this intensive training will go out and reach the young people in their communities and, as they do, be encouraged by their pastors.

MAY 3 INDIA

- Directors Elsie and Danny plan to hold pastors’ conferences in south India on May 9 and in southwest India in early June. They will be reaching out to a Hindu-dominated, anti-Christian area called Belagavi that has only about 50 churches/pastors. Pray for protection and anointing over them and for unity among the pastors, and that the teaching and resources provided impact them.

TESTIMONY – Ukraine

Recently, a Christian brother testified how God miraculously saved him during the war. When he was on the frontline, which was just five holes in the ground, a mine fell in or near each hole, but none of the mines exploded! Another time, a shell exploded right in front of his face, and he was thrown out of the trench, yet he was not killed. Sadly, the other two soldiers with him died immediately. Doctors removed many fragments from his eyes, yet his vision was not affected. The doctors said it was a miracle! He also said that everyone in the trenches is praying harder and louder; there are no non-believers.

TESTIMONY – United States (prison ministry)

"I have been so blessed to be able to read Derek's books. I have been incarcerated since March 2022. I lost absolutely everything, including family. I was ready to give up on my life when I came across a book by Derek called Spiritual Warfare. This book changed my life and my perception of my battle with, not flesh, but principalities. I rededicated my life to the Lord and I'm reading His Word every day and reading Derek's materials, which better help me understand spiritual things." – Jesse, Oklahoma

"As Christians, we need to acknowledge our unfathomable debt to Israel and to always pray on the basis of that total indebtedness. Israel is unique. TESTIMONY – Belarus

"In the beginning of my Christian life, I learned about blessings and curses and got very interested in the topic. I got into DPM's Bible Correspondence School and was completely amazed by Derek's teaching and the way he explained that issue. It has completely changed my life. In every lesson, the Holy Spirit brought to life the words I needed. He guided me to the passages of Scripture that led me to action and a solution to my problem. God healed and restored my spirit, soul, and body through the Word. God is faithful! I am grateful that He has such a powerful instrument as Derek Prince Ministries to spread His Word all over the world and change human lives. Be blessed!" – Bible School student
