Saturday 8th June 2019

Entries by BROE

A unique opportunity in the British Rowing Calendar for junior scullers from J9 to J14.

A chance to experience the exciting and competitive world of racing.

500 metre multi-lane sprints – the only regatta of its kind in the UK.

The regatta is being held on the stunning lake at Blenheim Palace, near Oxford – beautiful for spectators, including the whole family.

An easy-access event for our youngest scullers, especially those who have not competed on water before.

Continuing the legacy of 2012 and promoting leadership, team skills, aspiration and sporting achievement in young people.

Hinksey are supported in their outreach work by the Oxford and Cambridge Rowing Foundation and other donors.

First launched in 2010 by Hinksey Sculling School.
