Membership Fee per year: N\$ 4,000

Signature _____

Date _____

Corporate Membership is recommended for companies in which science, research and social responsibility play a pivotal role. Corporate participants enjoy networking and publicity across a broad cross-section. The Corporate Membership allows companies to engage and promote research, technology and protection of the environment and provides an opportunity for their business to be heard and represented.

Benefits

- Management and all employees have preference for presentations and when joining tours and events organised by the Namibia Scientific Society
- Participation and one vote at Annual General Meetings
- Regular newsletters and announcements of events
- One free copy of the annual scientific Journal and priority advertisement
- Recognition of corporate membership via Journal, Newsletter and website (www.namscience.com)
- Discount when buying books in our office and via our website
- Free attendance at Namibia Scientific Society networking events
- Access to the oldest library and archive in Namibia
- Certificate for display – proof of corporate membership supporting scientific research and related matters in Namibia
