Signature \_\_\_\_\_

Date \_\_\_\_\_

General Data Protection Regulations apply! This is for your and our safety and protection of your privacy! By providing your contact details you agree to our privacy policy as required by the GDPR (details on request).

Corporate Membership is recommended for companies in which science, research and social responsibility play a pivotal role. Corporate participants enjoy networking and publicity across a broad cross-section. The Corporate Membership allows companies to engage and promote research, technology and protection of the environment and provides an opportunity for their business to be heard and represented.

### Benefits

Management and all employees have preference for presentations and when joining tours and events organised by the Namibia Scientific Society

Networking opportunities

Participation and one vote at Annual General Meetings
